WEST DISTRICT DENTAL SOCIETY ANNUAL MEETING

Friday, September 18, 2026

9 a.m. to 3 p.m.

Gering Civic Center, Gering, NE

The West District Dental Society Annual Meeting will be held on Friday, September 18, 2026, at the Gering Civic Center in Gering, Nebraska. The CE course will run from 9 am-noon and 1-3 pm. The West District members will meet for their business meeting at noon during the lunch hour. Continental breakfast and lunch will be included.

Comprehensive Overview of Oral Pathology

Course Description:

This course will provide the general dentists with a comprehensive review of oral pathology. Common entities, oral cancer, and ulcerative conditions will be discussed; a particular focus will be made on oral squamous cell carcinoma and prevention of this malignancy.

Objectives: Upon Completion of this course, the participant will be able to:

1. Identify potentially malignant disorders
2. Discuss common lesions affecting the oral cavity
3. Discern chronic ulcerative conditions and when a biopsy is necessary
4. Discuss how to manage patients with potentially malignant disorders and common oral pathology

Speaker— Dr. Ashley Clark

Dr. Ashley Clark is a board-certified oral pathologist currently serving as the President of CAMP Laboratory in Indianapolis, Indiana, after a nearly decade-long career in academia. She has served on the Professional Board for Oral Cancer Cause and Digital Dental Notes and the Advisory Board for General Dentistry. Dr. Clark has won several teaching awards, has provided over 500 continuing education courses, and has authored more than 50 publications and book chapters. She is a member of the American and International College of Dentists.
